

# REVITALIZE YOUR HEADLIGHTS TODAY!

Plastic lenses can yellow with age, reducing the vehicle's market value, headlight brightness & the overall safety during nighttime driving. The headlight lense restoration kit from Tustin Nissan allows you to shine and restore plastic lenses, including headlights, taillights, fog & directional lights to like-new conditions.

- Improves headlight performance & night time illumination
- Refines & reduces scratches
- Increase vehicle resale value
- 2 year warranty
